1929 Price List of up-to-date Dahlias

Divisions and Field Grown Clumps

Our dahlias are field grown, healthy and vigorous. They are guaranteed true to name and to reach you in good condition free of frost or broken tubers. Our clumps will cut at least four strong tubers with one or more eyes for each tuber. We can furnish clumps from either cuttings or tubers on all varieties except novelties. In making price per three tubers or clumps we are quoting for one variety and not one of three varieties. All orders must be accompanied by 25% of purchase. Balance C. O. D. 5% discount for cash in full. If wanted by mail add 25c for first clump and 5c each additional clump. We prefer to ship by express if possible. No clump orders accepted for later shipment than January 1. Twenty-five per cent deposit will hold tuber orders until April 15.
